

Property Tax Basics Workshop

'your questions answered'

Gatherum-Goss & Assoc have put together a Property Tax Basics Workshop, ideal for the first time investor or those in the early stages of building their property portfolio.

Property investment is a great way of growing your wealth, as there are many different strategies one can put into place. This workshop has been designed to provide you with some of the fundamental information needed when entering the exciting world of property investment.

Being Australia's specialist Investment Property accounting firm, we have assembled a fantastic line-up of professionals, all of whom will be available to answer all your questions in one critical session.

Pat Mannix

Principal, Gatherum-Goss & Assoc

What is negative gearing and what are the tax advantages?
Find out about basic investment structures, wealth strategies and risks.

Elizabeth Jackson

Property Specialist

How to access government grants available to property investors.
Tax free financial incentives can grow your property portfolio at a faster rate.

Darren Foster

Risk Insurance

Insurance - what do you have and what do you need?
Your property portfolio requires full protection from worst case scenarios.

Theo Mavratzakis

BMT Tax Depreciation

What is a depreciation schedule and a quantity surveyor?
How it works and why it is so vitally important for property investors.

Nicole Campbell

Mortgage Broker

What is a mortgage broker and how do they differ from a bank branch?
How loans and structures are reviewed by an independent mortgage broker.
